

PROTECTIVE SPIRALS

Available in a wide range of sizes, practical, quick and easy to fit, protective spirals provide good protection to one or more hoses at a time, with great resistance to abrasion, UV rays. They can also aid in the prevention of hose kinking.

BLADE HOSE CUTTERS

Our Hose cutters are perfect for cutting a variety of hoses up to 28mm in O.D. Spare blades also available.

FLEXI SCREWDRIVER

Flexible screwdrivers are suitable to get into those hard to reach spots.

PLATES

LPG plate and rivet sets come in a set of 2 plates, 2 stickers and 4 rivets.
